

Thursday 18th Oct 07

Room at the top will open for Thursday and Sunday Party nights between 10 and 2am, entry is through the main RATT entrance and not in the Dreadnought section as some rumours suggested. We will be open as normal on a Friday and Saturday nights only.

Due to an exceptional amount of people entering the Club early on Sat. 13th we had to close the doors earlier than the normal 1am curfew, which left a lot of people angry at not getting in. I can only apologise for this but the decision had to be made for various reasons including safety. To avoid being disappointed I would suggest coming a wee bit earlier in the future.

A big thank you to all that came to the Hells Bells gig that made a great night and a fantastic atmosphere. Your support was superb and look forward to the next one when-ever that may be.

Friday 29th Dec.06

We would like to take this time to thank all the Dreadnought Staff and all The Dreadnought Regulars and Diehards (even the ones who thought would burst into flames when they entered the room at the top) for all your support over the last month.

The new place has been rocking as normal and been packed to the rafters.

We hope you have a good new year and remember we will be open for a Hogmadog Party - just come and pay at the door and have a great time.

If you canny make it we hope to see you all in the new year.
