

## November 2007 news

[intro](#)[home](#)[rock club](#)[events](#)[contacts](#)[News](#)[links](#)[hall of shame](#)

Well its a year on since the doors were welded shut at the old Dread hotel and still no firm news from the current owners of the property on what they will or want to do with the place.

There has been many rumours over the year that various things have happened, the fact of the matter is due to a contract signed with Calsberg the hotel owners get their rent every month whether or not a tenant is in place. As such the owners will only sell if they get the right price and are not in too much hurry to sell until then. I'll keep you posted though. Its not all doom and gloom though as our new home has developed a character and atmosphere of its own and is always busy and safe.

The Christmas dates are now online and like last year, I think will be very, very busy with your Chrimble Nites Oot.

I would ask if you are coming on the couple of weekends Leading upto Christmas that you come earlier than Normal as I know the Q will build up pretty quick after 11.

We all look forward to seeing you over the next month at this busy time of year and like to Thank you all for your support and custom in the last year.

Have a guid Christmas and New Year.
